HAPPY HOLIDAYS

We are celebrating Christmas at Pinnacle Physical Therapy. Whatever holiday you honor this time of year, we hope it is filled with joy and happiness.

We are especially grateful to our referring doctors who entrusted their patients to us this past year., and to our patients who worked so hard in their efforts to regain mobility and strength. It is our greatest joy to see the favorable results achieved by patients who come in for relief of chronic joint or back pain, rehab from joint replacement surgery, instability and poor balance or pelvic floor issues.

We look forward to continuing
success in 2016

and wish each of you a

**Healthy, Happy and Prosperous
New Year.**
